To whom it may concern,

I am writing this letter to express my deep interest in applying for the Physician Assistant job within XXXX as I am certain that my previous work and rotation experience and field expertise make me a perfect candidate for the role.

With extensive clinical rotation experience as Physician Assistant, I am adept in physical evaluations, treatment plans, and disease management. Moreover, I conducted detailed diagnosis, and analyzed and evaluated diagnostic test results, assisted in several general surgeries. Next, I am a native Chinese speaker with a proficiency in English. I am the CUNY York College graduate with a master's degree in Physician Assistant Studies which serves as an excellent evidence of my field expertise. In addition to anticipating PA licensure, I hold active certifications in ACLS and ATLS. Offering great hand-eye coordination and well-developed manual dexterity, I believed that I would execute all assigned tasks successfully while coming to you with a pro-active approach and a deep passion for helping others.

XXXX Hospital's reputation for providing the highest level of care to patients in a nurturing and team-oriented atmosphere appeals to me, and I am motivated to join your team. You may call me at (347) 879- 9508 or email camellia12138@gmail.com to schedule an interview.

I look forward to meeting with you.

Sincerely,

Sijia Wang, PA-S
